- Side Rails** 4" with 8" High Sides
- Weight** 330 - 450 lbs.

**Custom Sizes Available**

A **CARGOGLIDE XL** model is designed to roll 100% out the back of your vehicle. A *Recessed Handle* doesn't use any valuable storage space. 48" of deck clearance allows stowage of a sheet of plywood. *Side Thrust Bearings* enable smooth operation when the vehicle is parked off-camber.
